[redacted] described PIERCE as a "real loner" and explained that many individuals in research are "loners;" are independent and this did not appear to be out of line for their operation. PIERCE was unusual in that he insisted on receiving and checking all his own packages, gave his technicians only day to day assignments, did his own machining and requested that the plant set up his own chemistry laboratory and machine shop. The company acceded to some of his requests and [redacted] pointed out that technically, PIERCE was a "first-class physicist."

PIERCE took a vacation from 5/25 - 6/2/66, but failed to return to work until 6/10/66. He explained on 6/10/66 to [redacted]

[redacted] that he had been tied up in Washington, D.C. on personal business which caused his delay in returning to work. He further told [redacted] that he had left the John Birch Society, giving no reasons, said that he had been spending a lot of time writing, that he was "involved in writing a new journal," and that he had decided to leave the field of physics and start a new career in connection with the journal, which he referred to as the "National Socialist World," and which he described as a political journal. He said he wanted to leave the laboratory by mid July, 1966, and expressed his regrets about leaving and his concern as to whether the company had someone to replace him. [redacted] immediately notified [redacted] concerning the above, whereupon [redacted]

b7C

b7D

[redacted] interviewed PIERCE on 6/10/66, at which time he explained he was delayed in returning to work because of attending a meeting in Virginia during his vacation which lasted longer than he had anticipated. PIERCE said he had become more and more interested in writing during the last several months, that he had spent six hours a night on this literary effort and that as a result of thinking over the last few months, had decided to go into writing on a full time basis. He said he was going to publish a magazine called the "National Socialist World," and that he and a few friends were setting it up. When asked if the title

implied any connection with GEORGE LINCOLN ROCKWELL, PIERCE stated that "GEORGE LINCOLN ROCKWELL is a friend of mine and we are going to print it on his press." Although PIERCE was not directly asked if he would be affiliated with the American Nazi Party (ANP), PIERCE implied that he would be affiliated with the ANP and that he thought it was "the wave of the future." PIERCE further said that the ANP was not included in the Attorney General's list of Subversive organizations.

[redacted] pointed out to PIERCE during this interview on 6/10/66, that his work had been excellent up to a few months ago when it began to deteriorate and that if he changed his profession for six months it would be impossible for him to go back into the field of physics and catch up with all the new developments. PIERCE agreed with this statement, said he realized it was a difficult decision for himself to make and gave the impression that he was deadly serious and dedicated to his new venture.

b7C

b7D

[redacted] said that PIERCE during his employment never gave any indication of his feelings or connection with the ANP and GEORGE LINCOLN ROCKWELL. He never displayed any anti-semitic feelings and he either disassociated himself or got along with the Jewish employees in the laboratory. After PIERCE left the plant, several of his colleagues expressed their intense dislike of him as a person.

According to [redacted] the only overt indication that PIERCE ever gave of his feelings was during a wild-cat strike at the plant on 5/16/66, on which occasion, PIERCE attempted to drive through a mob of approximately 1,000 pickets in his personal automobile. The pickets ripped off the radio antenna on his car, kicked the fenders and prevented PIERCE from driving into the plant. Following the incident, PIERCE observed a photograph of pickets pushing cars back from entering the plant, and he pointed to a negro in the photograph and said "that is some great specimen of American Manhood."

[redacted] said he felt the simple complexities of life bothered PIERCE and that he was looking for a simple solution to the problems of the world. He said that PIERCE never discussed his personal life, said that no one at the plant had any social contact with him and commented that it was impossible to penetrate PIERCE. [redacted] said that [redacted] told him that he had met [redacted] on one occasion when PIERCE brought [redacted] to the plant. [redacted] told [redacted] that [redacted] was very quiet, that [redacted] were trained to instant obedience and that when he spoke [redacted] would jump.

[redacted] said that PIERCE was scientifically a good writer and speculated that PIERCE could be an effective political writer. He said that PIERCE never made any revolutionary type statements and never said anything to indicate that he possessed any weapons.

b7C

b7D

[redacted] concurred in the statements made by [redacted] and the information furnished by him concerning PIERCE and advised that he had nothing to add.

[redacted] furnished a photostat of an article appearing on page 26 in the 6/24/66 edition of "The Oregonian" which article announces that WILLIAM LUTHER PIERCE had become the editor of the "National Socialist World," a new publication of the ANP and points out that PIERCE had left a \$29,000 research job with Pratt and Whitney to edit, "without pay," this publication. This article is being enclosed for the Richmond Division.

On September 3, 1966, [redacted] of Advanced Material Research and Development Laboratory, Pratt and Whitney Aircraft Division, United Aircraft, 415 Washington Avenue, New Haven, Connecticut, a key facility, was interviewed by SA [redacted]. Present during the interview, at the request of [redacted] was [redacted] of the Advanced Materials Research and Development Laboratory. [redacted] furnished the following information:

WILLIAM LUTHER PIERCE was employed as a Senior Researcher Associate Physicist, in the above Laboratory from July 14, 1965 - June 10, 1966, at which time PIERCE voluntarily terminated his employment, left the plant, but was actually paid up to June 24, 1966. PIERCE had a secret clearance issued to him on March 9, 1966 by the Department of Defense at Hartford, Connecticut, but during his employment never worked on any classified projects. His salary was \$15,400 per year. b7C b7D

[redacted] described PIERCE as a "real loner" and explained that many individuals in research are "loners", are independent and this did not appear to be out of line for their operation. PIERCE was unusual in that he insisted on receiving and checking all his own packages, gave [redacted] only day-to-day assignments, did his own machining and requested that the

b7D

plant set up his own chemistry laboratory and machine shop. The company acceded to some of his requests and [] pointed out that technically, PIERCE was a "first-class physicist."

PIERCE took a vacation from May 25, 1966 to June 2, 1966, but failed to return to work until June 10, 1966. He explained on June 10, 1966 to []

[] that he had been tied up in Washington, D. C. on personal business which caused his delay in returning to work. He further told [] that he had left the John Birch Society, giving no reason, said that he had been spending a lot of time writing, that he was "involved in writing a new journal", and that he had decided to leave the field of physics and start a new career in connection with the journal, which he referred to as the "National Socialist World", and which he described as a political journal. He said he wanted to leave the laboratory by mid July, 1966, and expressed his regrets about leaving and his concern as to whether the company had someone to replace him. [] immediately notified [] concerning the above, whereupon [] interviewed PIERCE on June 10, 1966, at which time he explained he was delayed in returning to work because of attending a meeting in Virginia during his vacation which lasted longer than he had anticipated. PIERCE said he had become more and more interested in writing during the last several months, that he had spent six hours a night on this literary effort and that as a result of thinking over the last few months, had decided to go into writing on a full-time basis. He said he was going to publish a magazine called the "National Socialist World", and that he and a few friends were setting it up. When asked if the title implied any connection with GEORGE LINCOLN ROCKWELL, PIERCE stated that "GEORGE LINCOLN ROCKWELL is a friend of mine and we are going to print it on his press." Although PIERCE was not directly asked if he would be affiliated with the American Nazi Party (ANP), PIERCE implied that he would be affiliated with the ANP and that he thought it was "the wave of the future". PIERCE further said that the ANP was not included in the Attorney General's list of Subversive organizations. b7C b7D

[] pointed out to PIERCE during this interview on June 10, 1966 that his work had been excellent up to a few months

b7C

b7D

RH 157-1673

ago when it began to deteriorate and that if he changed his profession for six months, it would be impossible for him to go back into the field of physics and catch up with all of the new developments. PIERCE agreed with this statement, said he realized it was a difficult decision for himself to make and gave the impression that he was deadly serious and dedicated to his new venture.

b7C

[] said that PIERCE, during his employment, never gave any indication of his feelings or connection with the ANP and GEORGE LINCOLN ROCKWELL. He never displayed any anti-semitic feelings and he either disassociated himself or got along with the Jewish employees in the laboratory. After PIERCE left the plant, several of his colleagues expressed their intense dislike of him as a person.

b7D

According to [] the only overt indication that PIERCE ever gave of his feelings was during a wild-cat strike at the plant on May 16, 1966, on which occasion PIERCE attempted to drive through a mob of approximately 1,000 pickets in his personal automobile. The pickets ripped off the radio antenna on his car, kicked the fenders and prevented PIERCE from driving into the plant. Following the incident, PIERCE observed a photograph of pickets pushing cars back from entering the plant, and he pointed to a Negro in the photograph and said "that is some great specimen of American Manhood."

b7C

b7D

[] said he felt the simple complexities of life bothered PIERCE and that he was looking for a simple solution to the problems of the world. He said that PIERCE never discussed his personal life, said that no one at the plant had any social contact with him and commented that it was impossible to penetrate PIERCE.

b7C

b7D

[] said that [] told him that he had met [] on one occasion when PIERCE brought [] to the plant. [] told [] that [] was very quiet, that [] were trained to instant obedience and that when he spoke [] would jump.

[] said that PIERCE was scientifically a good writer and speculated that PIERCE could be an effective political writer. He said PIERCE never made any revolutionary-type statements and never said anything to indicate that he possessed any weapons.

A review of the above-entitled publication as made available by [] reflected it to be 103 pages long, bound with a brown cover, and entitled "No. 1, Spring 1966 Edition, Published and Released Quarterly by the World Union of National Socialists, International Headquarters, Arlington, Virginia, USA". work at the University of Colorado. Prior to that, he studied
at Rice University and the California Institute of Technology.
His only previous literary experience consists in the publication
of research results in several physics journals, so the publication

support, signed GEORGE LINCOLN ROCKWELL."

APPENDIX:

1

AMERICAN NAZI PARTY
OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL
SOCIALISTS, ALSO KNOWN AS THE
GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World", copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader", a Richmond, Virginia, daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses".

On August 19, 1966, the source advised that George Lincoln Rockwell presently believes that he has completed the first two phases in his struggle for power and is well into the third stage, to wit, "the organizing of the people who have been converted to our propaganda". The source added that Rockwell had previously believed that he would be elected Governor of Virginia in November, 1965, and when defeated, he made the statement that he was not ready for stage four.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
Also Known As The American Nazi Party,
American Nazis, the World Union of Free
Enterprise National Socialists,
the George Lincoln Rockwell Party

On September 8, 1967, a source, who has furnished reliable information in the past, advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP - WUFENS) was organized by GEORGE LINCOLN ROCKWELL at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by ADOLF HITLER. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and Communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander ROCKWELL.

On August 25, 1967, GEORGE LINCOLN ROCKWELL was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that MATTHIAS KOEHL, JR., took command of the Party after ROCKWELL's assassination.

This organization was officially launched on April 11, 1964. The National Headquarters was transferred from 1216 New York Avenue, Northwest, Washington, D. C., to 1019 King Street, Alexandria, Virginia, on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value and to publicize its program through pamphlets and similar media.

[redacted] stated that the WPA is a racist-type organization with approximately 50 members, 40 of whom are from the Washington, D. C. metropolitan area. Approximately 150 persons or organizations subscribe to the official paper of the WPA, "The White World."

[redacted] stated that the purpose of the organization is political in nature and definitely nonsubversive but adheres completely to the Constitution of the United States.

Torn Neo-Nazis Striving to Resurface

By LANCE GAY
Star Staff Writers

A lonely band of revolutionaries lives in a house on Arlington's North Franklin Road.

They are waiting in their cramped, white-walled headquarters for the coming of the millennium.

They have been waiting for 10 years.

If some people have their way, they will be waiting for 10 times 10 years.

They are the National Socialist White People's party, also known as the American Nazi party.

There are no ashtrays in the offices in the house at 2507 N. Franklin Rd. No one in the house smokes. Adolf Hitler didn't smoke.

"But I drink . . ." William L. Pierce, information officer for the party asserted.

Pierce typifies the hard-core, self-styled revolutionaries who have taken over control of the party since the assassination of George Lincoln Rockwell in 1967. He holds a Ph. D. in physics and taught at Oregon State University in

Corvallis, Ore., from 1962 to 1965. There, he stated, he underwent "an analysis of political views" and left teaching for a political cause. He found his niche with the neo-Nazis in a post similar to the one once held by Dr. Joseph Goebbels, propaganda minister under Hitler.

Relative Obscurity

Other than dropping a few "white power" leaflets over Washington and using a half-dozen telephone recordings of hate messages, the group had fallen into relative obscurity since the slaying of Rockwell and had not been heard of until recently.

But then, last week, they surfaced again to announce a "white power rally" for last night at Yorktown High School. The Arlington School Board canceled the rally, stating that they feared might cause damage to school property.

The rally fell on what would have been the 52nd birthday of Rockwell. But it represented more than just a birthday party. It was a victory celebration

for the National Socialist White People's Party after three years of purges, squabbles and ideological disruption.

Testimony at the murder trial of former Rockwell stalwart and confidant, John Patter, detailed deep dissension within the neo-Nazi group. As predicted by some observers, without their charismatic leader, the group split into factions — one Alexandria group of militants becoming the White Party of America; another, smaller and more dedicated revolutionary splinter becoming the Arlington-based National Socialist White People's Party.

Occasional Violence

For the past 2½ years, the two splinter groups have fought each other for the right to claim direct descendence from Rockwell's American Nazi Party. Occasionally, this intencine squabbling has flared into open violence, but on the whole it has been a quiet feud.

Officials who keep a very

eye on the organization tell of varied techniques of harassment — ranging from obscene telephone calls to gunfire from passing cars directed into party members' homes. Some observers have noted two "interesting" fires at the Alexandria group's printing plant on a farm in Spottsylvania County. Both fires are officially listed as accidental.

During the feuding, the Arlington-based splinter consolidated and purged its ranks of "reactionaries." With some apparent financial backing, the group bought the headquarters building on Franklin Road, covered the floor with deep-piled carpeting and started a recorded telephone service which offered a weekly white power message.

Conversely, the Alexandria group, which attracted the flotsam from repeated purges, numerically expanded but further fragmented ideologically as it encompassed members of motorcycle gangs and rejects from the Arlington faction.

The group declined further when some of its leadership moved out of the area claiming harassment from the NSWPP. As a result, officials say the White Party of America is now defunct, "or nearly so."

Influence 'Negligible'

Pierce admitted that the NSWPP's influence is "negligible now," but looks to the day within the next five years when the party will be a force to be reckoned with—we'll be strong enough to make our presence felt then, and we'll shape events then."

By the time of Rockwell's death, according to the consensus of law enforcement officers and reporters who infiltrated the organ, the number of effectively active party members was between two and three dozen. It is now said to be about 20.

But, according to Pierce, the party is presently emerging from the feuding, which he called "cadre building," a time when the consolidation of the party "into a serious revolutionary organization with professionals" was undertaken.

Outside the house on North Franklin Road, a brown-shirted man with bleached blond hair and brown eyes leaned against the brick wall, taking deep puffs out of a cigarette.

He, too, is waiting for the revolution.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY;
ALSO KNOWN AS THE AMERICAN NAZI PARTY

On the evening of April 9, 1970, WILLIAM L. PIERCE, Information Officer of the National Socialist White People's Party, also known as the American Nazi Party, spoke at the Student Center of the University of Scranton, Scranton, Pa.

His talk was part of an educational series sponsored by Phi Alpha Theta, an International Honor Society in the field of History.

In his speech, described by the Scranton Tribune as a low-key, unemotional pitch for racism and white supremacy, PIERCE said the United States is weak, decadent, rotten, corrupt, and led by a President "who should be dragged out of office and shot."

The Scranton Tribune related that PIERCE's speech to some 450 students caused a reaction of laughter, but no violence.

450 Hear Speech by Aide of National Socialist White People's Party

Laughter, No Violence As Nazi Talks at U of S

By DOUG MIELE

A national officer of the American Nazi party delivered a low-key, unemotional pitch for racism and white supremacy Thursday night to some 450 University of Scranton students who reacted—not with violence—but with laughter.

Their lecturer was Dr. William L. Pierce, 36, of Arlington, Va., the information officer of the National Socialist White People's Party, better known as the national Nazi party. His appearance here for a special educational program had caused some concern among university officials that violence or some sort of protest might result from the controversial nature of his philosophy and his party.

☐ Being Investigated

But their fears, however moderate, proved unfounded as his listless audience, shuffling papers and looking at each other through much of his talk, remained courteously silent until he had finished. Afterwards, they laughed. As one student put it at the start of a question and answer period: "I don't mind him speaking (even though) he doesn't have much to say. But we can't take him seriously. All we can do is laugh at him." The remark brought mixed applause and laughter.

Pierce, tall, lanky and baby-faced and sporting noticeably thick lenses in his glasses, made it very clear in his speech that his party intends by one means or another to rid this country of blacks and Jews, among other minority groups. He took time from his "white power" diatribe to criticize President Nixon for "his spineless failure" to end the war in Vietnam or stop an incident of flag desecration and suggested at one point: "Nixon should be dragged out of his office to the sidewalk there and shot."

But basically he kept his remarks to what he considered "undesirable elements" of our society, primarily the nation's blacks. "More and more goodies from the Great Society won't placate them," he said, as he predicted a racial war here within 10 years.

He saw, naturally, the National Socialist White People's Party as the saving Great White Hope of a nation he considered "weak, decadent, rotten, corrupt and liberal to the core."

Paraphrasing Marx, he felt confident "liberalism carries within itself the seeds of its own destruction."

"There will be a revolution in America because a whole generation of Americans are growing up who no longer respect a government too liberal to defend itself against its enemies. The time is ripe for revolution."

In an apparent reference to Hitler's doctrine of a supreme race, Pierce made a pitch for a new world "race-centered rather than ego-centered" in which "each generation becomes another step in an endless road from the sub-human animal to the super man."

The audience weathered his talk courteously, with only sporadic laughter. The real laughter began during questions and commentary from Dr. Matthew Fairbanks, U of S associate professor of philosophy,

(Continued from Page Three) who chided the group for laughing at a guest of the university. His remark met with more applause as the students attempted to restore dignity to the proceedings.

Pierce became lost a number of times in his own circumlocution as he evaded direct answers to questions, particularly those aimed at just how the National Socialist party intended to get rid of the blacks and Jews. "This may come to machineguns and Molotov cocktails, but it must be done," he said. "We invite you to join us."

"We might ask all the blacks to return to Africa," he said, "or else! Of course it would probably be 'or else'."

Fairbanks, in his first comment following the lecture, might have summed it up neatly, no doubt in understatement: "I must admire him (Pierce) for standing up to be

counted for something he truly believes in. I think we ought to compliment him on that point."

What students did applaud, however, was the educational program itself, "Out of the Mainstream," which brought two controversial speakers to the university in as many days. The program is sponsored by the U of S Mu Rho Chapter, Phi Alpha Theta, an international honor society in history.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY
aka The American Nazi Party, American Nazis,
The World Union of Free Enterprise National
Socialists, The George Lincoln Rockwell Party

On May 26, 1969, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

On August 25, 1967 George Lincoln Rockwell was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967 issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that Matthias Koehl, Jr., took command of the Party after Rockwell's assassination.

V. Summary of Subject's Propaganda Activities

The following are excerpts from weekly "White Power" telephone messages which are edited and recorded by subject and serve to express the ideology of the NSWPP:

AX 157-16

"The really vital issues facing us as people today are all racial issues. We are concerned about preserving neighborhood schools because we want our children to grow up with other children of their own race and to receive an education which instills the name and appreciation of our own racial heritage--not an alien heritage. Pride in our own unique racial characteristics which makes us what we are and a desire to perpetuate and improve these characteristics in our children and grandchildren."

White Power message, July 24, 1968

"It is a world in which our government adopts an official policy of hostility toward the white governments in Rhodesia and South Africa and ships arms to the black cannibals trying to destroy those two nations."

White Power message, August 26, 1968

"Virginians in Newport News had a foretastelast weekend of one of the 'overripe fruits' of the 'Great Society' as blacks burned and pillaged there. Americans everywhere can expect more and more of the same. Discovered mental permissiveness encourages blacks to escalate their war against white civilization. Because of the perverse and frivolous behavior of our government in the White House, in the Congress, and in the Federal Courts, the white men and women in this country have been left without any loyal leadership to which they can turn for support. Even worse, that same government, which has sold out to minority pressure groups, is continuing

AX 157-16

in its attempts to disarm white citizens, leaving them defenseless in the face of black attacks. Many white men and women in the Washington area have taken our recent advice and bought guns and ammunition for the protection of themselves and their families in the coming race war. Even so, the average white person is unable to obtain some of the most effective and modern weapons for dealing with rampaging blacks. As a special service to the white public, the National Socialist White People's Party has located stocks of Negro controlled equipment normally available only to policemen and the military. These Negro controlled devices include special purpose riot guns and chemical mace, for example."

White Power message September 5, 1968

"Elements which are hell-bent on destroying American and the white race will not be conquered by weakness nor appeased by concessions. Either we kill them or they will surely kill us."

White Power message September 10, 1968

"More than 28,000 American fighting men have been killed by the Viet Cong to date. Hundreds more are being killed by the communists every week and yet, in our Nation's Capitol, a red vermin like the Jew, JERRY RUBIN, arrogantly parades the streets and in the halls of Congress carrying a Viet Cong flag. He repeatedly marches, sneering, barefoot and unwashed, with his communist banner into sessions of the House Committee on Un-American Activities and there are Congressmen who merely sit there and tolerate it. What a gutless bunch

AX 157-16

of weaklings we have running this country! Our law makers are so intimidated by the liberal clique which controls the American press. They are so afraid of being called fascists or racist or witch hunters that Jewish Viet Cong supporters like RUBIN and his unwashed pals, (unintelligible) and HOFFMAN and BERGMAN are able to make a mockery of the United States Congress. It's about time for some drastic changes in our government."

White Power Message October 7, 1968

"Our new President, 'Tricky DICK' NIXON is beginning now to make the important political appointments which will determine what sort of government America will have during the next four years. Unfortunately, an old and familiar pattern is already emerging from these appointments.... for example, what is probably the most critical and sensitive post in the Executive Branch of our government, that of chief advisor to the President on national security matters. The man who occupies this post could fill a special office deep beneath the White House, with one end of the special hot line to Moscow connected to a telephone on his desk. At his fingertips are every source of top-secret security information in the country, diplomatic, military and otherwise. His decisions may be a life or death matter for every citizen in the country. The man LBJ chose for this critical spot is WALT ROSTOW, a Russian Jew with a security record so bad that not even our 'pink' State Department would

AX 157-16

give him a security clearance. Now 'Tricky DICK' has announced his choice for top security advisor, HENRY KISSINGER, another foreign Jew. It may seem strange to you that two Presidents in a row, one a Democrat, the other a Republican, should entrust the security of America to such unlikely choices. Here's why they did it. Wealthy American Jews who helped both LBJ and NIXON get elected demanded this, among other things, as their price. Controlling this post allows them to use American security and intelligence apparatus on behalf of the Jews in Palestine against the Arabs there and otherwise direct American foreign police in a pro-Jewish direction."

White Power Message December 8, 1968

"The politicians who run the United States, however, couldn't care less about the justice of the matter. They are totally under the influence of the enormously powerful and well organized Jews in this country."

White Power Message January 2, 1969

"America is sick unto death and the name of our sickness is democratic liberalism. We've been brainwashed by our enemies for years now into believing it is wrong for white men to stick together. Smooth talking liars have told us that it's wicked for us to feel pride in our race and to put the interest of our own people first, but we mustn't fight our enemies, but that we must try to understand them and reason with them; that racial suicide is better than racial self-defense. Wake up America! Let's get this liberal poison out of our system before it's too late. Let's clearly

AX 157-16

understand that there is only one effective way to deal with the rampaging blacks on our campuses and in our cities and that is to kill them."

White Power Message January 20-25, 1969

"Only in a whole white America can we carry out a genuine program for the betterment of our people."

White Power Message January 13, 1969

"The first objective in our party program is a white America. That means an America without blacks or Jews. An America in which our children and our grandchildren will play and go to school with other white children. An America where our young people will grow up in a wholesome, white environment. An America in which they will date and marry other young people of their own race. An America in which all their offspring will be beautiful, healthy, white babies--never raceless mongrels. The National Socialist White People's Party wants an America with neither black crime nor Jewish degeneracy. An America in which all white people can walk the streets of our land by day or by night without fear of black criminals. An America in which our cultural, social, business and political life is free of alien, Jewish influence. We want a white America where every white man and woman can take pride in his race. An America without swarming black filth in our streets and schools, on our buses and in our places of work. An America in which white people are the sole masters of their own destiny, and we will have a white America, one way or another. There was a time when the problem could have been solved relatively simply had America followed President

AX 157-16

LINCOLN's wise plan. Now it is no longer possible to avoid violence and bloodshed on a massive scale. We are in the first stages of a genuine race war. In the months and years ahead its intensity will exceed anything we have yet seen. Race war, however, is a small price to pay if, through this means, we can safeguard the future of our race if, through race war, we can eliminate the menace of race mixing."

White Power Message February 27, 1969

"After a white America, the next objective in our party program is white World solidarity. America should have a foreign policy which is based only on the long term interest of our race; not on the interest of other races, nor on economic considerations, nor anything else."

White Power Message March 12, 1969

"Wake up America. We're at war. This is the time to be stocking up on ammunition for your firearms, not looking for new ways to strengthen your enemies, but stamp out this liberal insanity and black rebellion with a white man's revolution in America."

White Power Message April 1, 1969

"Better start bracing yourself now for the worst black chaos you've seen in a long time. If, on the other hand, you think it's about time to put an end to the blacks in this country, why don't you get in touch with us."

White Power Message May 23, 1969

AX 157-16

"There is just one thing that can save us now--and that is a white man's revolution. A revolution which will sweep the quacks and the blacks and the whole sick system away and replace it with a new healthy one."

White Power Message May 7, 1969

"On these White Power messages you've heard me call for a white man's revolution in America. You have heard me say we ought to organize and take up arms and put a final end to black terror and Jewish degeneracy and liberal treason in this country. I guess a lot of you thought I was exaggerating, that I was just saying those things to shock people. Well, let me assure you that when I tell you it's going to take bullets, not ballots, to cure America's problems, I couldn't be more serious."

White Power Message December 11, 1969

"It is far better that we kill every black in Washington and make the city safe for our own people than to let one more YVETTE LANIOR be murdered by them."

White Power Message December 24, 1969

"So I'll tell you once again, arm yourselves and I'm not just talking about a pistol to keep under your pillow at night. You should have at least a semi-automatic rifle with several hundred rounds of ammunition."

White Power Message December 21, 1969

The following is an excerpt from the January 15, 1969, "White Power" telephone message edited and recorded by the subject:

AX 157-16

"I'm Dr. WILLIAM PIERCE with the National Socialist White People's Party. There has been a rumor going around Washington the last few days that National Socialists are planning to assassinate RICHARD NIXON during the inauguration proceedings next Monday. There is absolutely no truth to this rumor. Not only are we not planning an assassination, but we wouldn't even consider such a thing. For what would be the results of putting 'Tricky DICK' out of the way? We would just have SPIRO AGNEW instead, and if SPIRO were to have an accident too, then it would be Mr. MC CORMICK. By and large we could expect just about the same degree of catastrophic misgovernment from any of these men as we have had from LYNDON JOHNSON. The reason is that the system itself is so thoroughly rotten. No politician in America today can rise to the top unless he is completely acceptable to the corrupt, hypocritical system which controls public opinion in this country.... So relax my fellow citizens. So far as we are concerned the inauguration can take place as scheduled."

A confidential source, who has furnished reliable information in the past, advised that PIERCE was noticed carrying a small hand gun, perhaps a derringer, on his belt over his right hip while working in the headquarters of the NSWPP.

The following is an excerpt from the "White Power" telephone message of November 14, 1969, which is edited and recorded by subject:

AX 157-16

"Listen, we need a revolution in this country but it must be a revolution for the American people not for the reds, or the blacks, or the anarchists. We need to pull NIXON out of the White House and put an end to him and his whole rotten system."

The following is an excerpt from the "White Power" telephone message of January 27, 1970, which is edited and recorded by subject:

".....the decent white people in this country have just about had their fill of lies and hypocrisy, and treason from the politicians. They're not going to put up with it forever; and when the political prostitutes who are now running America are dragged out of the Congress and the Supreme Court and the White House one day and swung from lampposts all over Washington, we'll hear them squealing that they didn't really mean to betray their nation and sell out their rights all these years. Only the rope will choke off their lies."

On April 9, 1970, subject spoke at the student center of the University of Scranton, Scranton, Pennsylvania. During the speech, PIERCE called the United States weak, decadent, rotten, corrupt, and led by a President "who should be dragged out of office and shot".

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY
Also Known As The American Nazi Party,
American Nazis, The World Union of Free
Enterprise National Socialists, The
George Lincoln Rockwell Party

On May 26, 1969, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and foreign countries.

"The Richmond News Leader" issued dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

On August 25, 1967, George Lincoln Rockwell was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that Matthias Koehl, Jr., took command of the Party after Rockwell's assassination.

Fire-Fighting Experiment

City fire officials Thursday conducted a special training exercise in the use of a new liquid foam for liquid fuels fires—but not without a complaint about air pollution.

Supt. of Fires Thomas M. Gowan and Capt. John Connolly, training officer for the fire bureau were in charge of the demonstration at the training area adjacent to Nay Aug Park.

The fire fighting values of liquid foam were proven Thursday at the Fire Bureau's training area off E. Gibson St., near Nay Aug Park. A gas-fed blaze with water fog from two and a-half-inch lines roared skyward. At right, seconds after firemen applied foam, the fire was brought under control. The foam method will be used for fuel-fed fires.

Rest Stop OK'd

Plans for a rest stop adjacent to the proposed Anthracite Mine Museum Building, off Keyser Ave., at the Scranton-Taylor line, were finalized Wednesday morning at a meeting between Pennsylvania Turnpike officials and Sylvester Kazmerski, executive director of the Lackawanna County Department of Parks.

The meeting, held at the Turnpike Commission Building, Harrisburg, included representatives of the Pennsylvania Department of Commerce, members of the Scranton Chamber of Commerce Tourist and Recreation Committee and members of the Lackawanna Regional Planning Commission.

Turnpike officials agreed to construct, before 1971, a reststop and parking area for 100 cars off the northbound lane.

FRIDAY, APRIL 10, 1970.

ent a Success—Almost

c-Taking part in the training session were firemen of Truck 4, Engines 9 and 13 and Engine 4 from Dunmore.

g For the test purposes, 100 gallons of gasoline were poured

atop water in a cinder block tank and ignited. Firemen first used water fog from two-inch and half-inch lines to try to douse the burning gasoline, but while they could beat down most of the fire they were unable to put it out, even when a third fog applicator was brought into action.

They backed off the fog lines and the gasoline fire flared up in full force. Then the new liquid foam equipment was brought to bear on the fire and snuffed it out in seconds.

The nozzle was held in one spot and the foam allowed to spread over the surface of the burning gasoline until it formed a complete blanket, smothering the fire.

A similar demonstration was conducted with a junked car which proved very stubborn for firemen working with water fog, but which was handled with ease with the liquid foam.

Mayor Eugene Peters, Director of Public Safety Anthony Batsavage and other fire bureau and city officials were on hand for the demonstration.

Mayor Peters was expressing his amazement and pleasure at how quickly the foam handled the fire when he was approached by an irate woman, a resident of the area near the Army Reserve Center, who lashed out at him for permitting the firemen to conduct the demonstration because of the heavy black smoke given off from the burning gasoline.

The smoke was blowing away from her home, but she literally ran to the scene to complain to the mayor, who tried to explain that it is necessary for firemen to have training in the use of the new type of foam and new equipment for application of the foam.

His explanation did not appear to satisfy the woman, but the mayor did not interfere with the continuation of the training.

How come Ridge has mortgage money when nobody else does? Because, as the East's largest home manufacturer, we have our own financial resources to help people build new homes. Yes, even now, during this tight money squeeze.

"But", you're probably thinking, "what good is a mortgage if I can't afford the house I want?" Being the largest helps there, too. We've bought materials in such big quantities that we're able to join the fight against inflation by not raising our material prices this year. That's right: Our Basic Prices for 1970 won't be a penny higher than they were in 1969!

Then there's the thousands of dollars more you can save by our unique homebuilding plan... a program that lets you help yourself to more home than you ever dreamed you could afford. And helps you afford it this year!

You'll find the whole story in our new magazine. It's 84 colorful pages of pure inspiration... the first magazine of its kind! It includes all 39 Ridge models... decorator ideas... Ridge Homes' "Wonderful World of Choice" for floor plans, bathrooms, kitchens... It's the complete exciting story. There's even a feature article written by a man who's building his own Ridge home right now on just a \$100 deposit!

Authorities said all were hotel guests.

The fire, discovered at 2:15 a.m. by a guest who was in the lobby, resulted in extensive damage to the first floor and lobby of the hotel.

At least four other business establishments, including the Comerford Theater, were damaged by smoke and water.

Seventy guests were registered but firemen had no accurate count of how many were in the hotel at the time of the fire.

Firemen found a number of guests wandering dazed through smoke-filled corridors. Some were assisted to safety down the ladders of three aerial trucks and others were led to safety through the hotel building.

Fire Chief Francis Ecker said the blaze is believed to have started in a storage room adjacent to the hotel lobby. Flames spread through the lobby and up to the first floor before the fire was checked.

The campus-type restricted development area is situated at ISC corporate E headquarters, along the Morgan Highway in Clark's Summit.

Announcement of the land development was made by ISC President Mortimer B. Fuller Jr., at a Thursday press conference in the Scranton Country Club.

The Clark's Summit-based firm purchased the original 180 acres in 1958 from the Scranton Catholic Diocese. The firm's plans for development of the unused land have been under way for several years.

The firm's corporate headquarters occupies 80 of the 180 acres. This acreage coupled with the 20 acres for Metropolitan Life, leaves 80 acres of still unused property which will be used for commercial development.

The 80 acres have been tentatively divided into plots which ISC hopes to lease in tracts of not less than 10 acres each.

Restrictions proposed by the salt firm concern the type of organizations which will be welcome there. Stressing that the land will not be an "industrial

but will also set high standards for other commercial development in the area, standards which should help attract additional organizations of the stature of Metropolitan Life and help keep our local economy progressing at a healthy rate."

Bureau Says Cloudy Skies Due to Clear

Although the mercury soared to 67 degrees Thursday at 1:30 p.m. — its highest level since Oct. 20 — snow flurries developed at some points in Northeastern Pennsylvania as the bulb dipped near the freezing mark overnight.

At the Wilkes-Barre-Scranton Weather Bureau, there was a 34-degree drop in 17 hours to a low of 33 at 5:30 this morning. Meteorologist Thomas F. Wahl said a cold front passing through the area and its cooling effect will be apparent under partly cloudy skies today. The mercury may not get out of the 40s, while its overnight drop will be near the freezing mark again.

But Mr. Wahl promises milder conditions under sunnier skies Saturday and most Sunday. Showers may develop Sunday night, with Monday and Tuesday expected to be on the cool side.

The combination of Thursday's 67-degree high and the overnight low of 33 produced a 50-degree average. This was three degrees above normal.

Nazi Lecturer Urges: Shoot the President

A national officer of the American Nazi Party told a group of some 450 University of Scranton students Thursday

that the United States is a "weak, decadent, rotten, corrupt and liberal" nation led by a President who should be "dragged out of his office and shot."

William L. Pierce, the 36-year-old information officer of the National Socialist White People's Party who hails from Arlington, Va., issued his caustic comments during a speech at the U of S Student Center.

In addition to castigating the nation and its chief executive, the Nazi official called for the systematic extermination or elimination of black Americans, Jews and other minority groups he termed "undesirable elements."

His listening audience sat peacefully and — except for a few outbursts of laughter at the philosophy advocated by Mr. Pierce — quietly as the Nazi official delivered his diatribe.

"We can't take him seriously," commented one U of S listener. "All we can do is laugh at him."

His appearance on the U of S campus was sponsored by the university-based Mu Rho Chapter of Phi Alpha Theta, an international honor society in history.

Youth Caught In Drug Raid In Old Forge

An Old Forge youth identified as Allen J. Sczafabo, 18, of 410 Moosic Road, was arrested Thursday by state troopers and Old Forge police who allegedly found a quantity of narcotics and dangerous drugs in his home and car.

He was charged with a violation of the Drugs, Device and Cosmetics Act and was released under \$2,000 bail after arraignment before Peace Justice Eugene Lesneski, Old Forge.

According to Capt. John I. Swann, commander of Dunmore State Police Barracks, and Old Forge Police Chief August Smacki, police impounded quantities of marijuana and LSD during a search of his home and car.

The state police detail included Troopers Walter P. Carlson, Alexander Horek and Chester J. Kuklewicz.

Baker Owners Facing Action

Dump Fire Joint Effort Begins

By TOM CLARK
Times Staff Writer

A joint city-county-state effort to rid the Bellevue section of the burning Baker Culm Dump was initiated Wednesday.

The coordinated effort aimed at the dump's owners was announced at a press conference in District Atty. Paul R. Mazzone's office in the Courthouse.

One of the participants, city Solicitor John J. Dunn, announced that a first step will be to obtain a show cause rule as to why the dump owners should not be held in contempt of court.

He said the petition would be filed after he and the district attorney confer with the state attorney general's office. He said next week probably would be the most likely time for the court move.

Solicitor Dunn said he has been researching the Baker Dump problem and the 1969 court order and decree spelling out the owner's obligations concerning the time to be spent on, and equipment to be used, in attacking the fire. The order,

however, set no deadline and the owners have been accused of being more interested in removing the dump's red ash than in stuffing out the air-polluting blaze.

Mr. Dunn said he feels the court order has been violated or not lived up to.

At the same time Mr. Mazzone advised that he intends to join with Mr. Dunn as an intervenor in the court action and to confer with the attorney general on the situation.

Also on hand at the press conference were Assistant District Attorney Ernest D. Preate Jr., who has been designated by Mr. Mazzone to look into the pollution problems confronting the county; City Council President Anthony Cognetti and James Keenan, 520 Third Ave., a resident of the Baker Dump area who has been spearheading a citizens' effort, backed by a 1,500-name petition, aimed at obtaining remedial action.

Solicitor Dunn said that if the dump owners are found to be in contempt they will either have to "voluntarily

go and extinguish the fire or else we'll have an outside agency go in."

Mr. Mazzone interjected that by outside agency is meant the Pennsylvania Department of Mines.

The Baker Dump, according to Mr. Cognetti, is owned by Red Ash, Inc., and Burr, Inc. Carbondale Mayor A. J. Kaufman is associated with the corporations.

Mr. Cognetti noted that most of the action in the dump problem "emanated at City Council" and noted that he has asked President Judge Otto P. Robinson by letter to review the court order hanging over the dump's owners.

Judge Robinson returned to his office Thursday after a vacation in the south.

The press conference, scheduled for 1:30 p.m., did not get under way until 2:40. The parties involved huddled behind closed doors while news people and cameramen twiddled their thumbs. The conference, when it finally began, lasted about two minutes.

Goldwater To Speak at Area College

Barry Goldwater, Republican senator from Arizona, will be the featured speaker at East Stroudsburg State College on Monday at 8 p.m. in Koehler Fieldhouse.

Students at the college will be admitted free of charge while other admission cost will be \$1 for students and \$1.50 for adults.

The program has been arranged through the Entertainment Council of the Student Activity Association campus.

Mr. Goldwater has been a U.S. senator since 1953 and was the Republican candidate for President in 1964.

Born in Phoenix, Ariz., Goldwater was educated at Staunton Military Academy, Virginia and at the University of Arizona.

He served as a pilot in the Army Air Force from 1941 to 1945 and later was Chief of Staff in the Arizona National Guard until 1952.

ly afterward.

Large, burning embers dropped over a wide area and started numerous other fires in piles of discarded timbers and railroad ties and patches of brush.

One outbuilding which housed the former coal rolling operation was destroyed and some coal remaining in the pockets caught fire. The coal and piles of timber debris continued to smoulder today.

Firemen, under the direction of Jessup Fire Chief Frank Cavanaugh and Nello Cardoni, were credited by Mr. Jones with "excellent work" in confining the blaze to the coal company area and saving the company office building about 100 yards from the breaker.

A glow in the sky was visible for miles and attracted

said circumstances of the fire were "definitely suspicious."

He pointed out that two previous fires at the breaker area were also of suspicious nature.

Last February an outbuilding that formerly housed a power switching operation was destroyed and on Memorial Day, 1969, a fire was discovered in the breaker but extinguished quickly by firemen.

Greening said the blaze Thursday morning was undoubtedly an arson attempt but did not elaborate.

That fire was discovered by two retired Pompey employees out for a morning stroll, who notified Mr. Jones.

The breaker is about 50 years old and its last valuation, before it ceased operating in July, 1968, was approximately \$375,000, Mr. Jones said.

GOP County Unit Hit For 'Ethnic Politics'

The GOP county organization was attacked for playing "ethnic politics" at a meeting of the Republicans First Club Thursday night in Petronis' Restaurant, 1201 Sanderson Ave.

David D. Evans, independent Republican candidate for state representative in the 113th Legislative District, addressed more than 50 members at the session during which the organization's bylaws were amended to allow women members for the first time.

Mr. Evans charged that the local leadership of the Republican party has "served an injustice on all Republicans in Lackawanna County."

Last Saturday, he recalled, Mrs. Annette Lloyd, GOP county chairman, appeared in a picture with national and state representatives of the Heritage Group of the Republican Party at a meeting in Jermyn Motor Inn.

Karol Sitko, Dalton, is chairman of the Northeastern Pennsylvania Heritage Group, Evans reported, saying he had been informed that Sitko "has been influential in the slating of candidates in Lackawanna County for the coming primary. Also Mr. Sitko has the credentials of the National Republican Committee I am told and his influence even reaches the White House."

Mr. Evans said that the "whole concept of this Heritage Group is anti-American when it attempts to classify people as to the heritage of their ancestors. This endorsement of the Heritage Group locally is an attempt to segregate Republicans into several ethnic groups with no apparent advantage to the party

nor to the candidates aspiring for public office under this banner."

Continuing, Mr. Evans declared:

"This of course can be expected since Mrs. Lloyd boldly announced on a TV telecast last month, following the party endorsement of candidates, that her slated candidates met the ethnic requirements. To me, this narrow view eliminated other factors like qualifications, education, civic activity and positions on vital issues, etc.

"Last Sunday, the results of a poll published by The Sunday Times indicated to me, among other things, that the people of this county in both political parties are opposed to ethnic politics."

The speaker said he could not "accept the conclusions which one must reach in reviewing Mrs. Lloyd's ethnic strategy. This in effect would terminate any one with the name of Davis, Kelly or even Smith from seeking public office under the Republican Party as now conceived by Mrs. Lloyd and Mr. Sitko."

The meeting was presided over by C. F. Nowicki who said the change in bylaws resulted from many requests to allow women to join the organization. He said that the change makes the Republican First Club the only countywide GOP club with both men and women members.

Mr. Nowicki named Robert Waterman to serve as chairman of the primary campaign and Theodore Plucinik to head the membership committee. The chairman are to name their committees by next Thursday night's meeting at 522 Lackawanna Ave.

'Very Suspicious Fire' Razes Jessup Breaker

Authorities today opened a probe into what they termed "a very suspicious fire" that destroyed an idle breaker of the Pompey Coal Co., Jessup, Thursday night.

State Trooper Norton Greening, fire investigator at Dunmore State Police Barracks, disclosed that an arson attempt was discovered at the breaker Thursday morning at 8.

At that time a small fire on the ground floor of the breaker was extinguished by David Jones, Pompey office manager, and another employee.

The blaze that destroyed the building was discovered at 7:55 p.m. and a general alarm brought scores of fire-

men from throughout the area, hundreds of spectators, creating a traffic and crowd problem for local police.

The breaker site is along upper Hill St., on the approach to Moosic Mountain, and the closest fire hydrant was 1,500 feet distant.

Two Jessup pumpers were stationed to draw water by relay from the hydrant while other companies used the supplies in their truck tanks.

At one point a utility pole caught fire and a 60,000-volt high tension line snapped and dropped to the ground. The line was repaired by a Pennsylvania Power & Light Co. crew as firemen continued to battle the blaze.

Jessup and Olyphant community ambulances were dis-

450 To Be Employed

Metropolitan To Build in Abingtons

By BILL HALPIN
Times Staff Writer

Installation of computers and other electronic equipment for a \$16 million electronic data processing center for Metropolitan Life Insurance Co. is expected to begin by early spring of 1971, according to Richard R. Shinn, president, MLIC.

Official announcement was made Thursday afternoon at a press conference at the Scranton Country Club.

The new facility, to be constructed in South Abington Twp. on land purchased from International Salt Co. at a cost of \$250,000, is expected to be 100,000 square feet in size on the 20-acre plot of land, located off the Morgan Highway and opposite the Scranton Country Club.

Approximately 450 persons will be employed initially at the center — 350 on a day shift and 100 on a night shift.

The decision to locate the new facility in South Abington Twp. was due to a combination of the following circumstances, Mr. Shinn said:

Expanding operations, new product lines, additional policyholder services and a resulting shortage of space in the company's home office in New York City.

The new center will be the second such facility operated by Metropolitan in this part of the state. A data center, which eventually will employ 150 persons, was opened in Kingston.

A report of the \$16 million S. Abington Twp. and Kingston facilities appeared in Thursday's Times.

Mr. Shinn estimated payroll figures for a year will top \$3.5 million.

The new facility, he said, eventually will handle one-third of operations presently handled

data tests and proved that "these type of people will be equipped for the job."

He also said that a proposed Vocational Technical School for this area that will train students in computer data work also will be a feeder for potential employees.

Construction for the new cen-

ter, pending approval of the superintendent of insurance for the state of New York, will begin soon.

Access roadways and parking space for employees and visitors will adjoin the one-story structure that will handle largely personal life insurance administration.

ISC To Develop Tract It Will Call 'Salt Park'

International Salt Co., displaying its faith in the future of Northeastern Pennsylvania, announced plans Thursday for development in South Abington Twp., of a 180-acre commercial land site to be known as "Salt Park."

Simultaneously, the Metropolitan Life Insurance Co. disclosed its intention to

park," Mr. Fuller explained that it will be restricted to such organizations as corporate headquarters, research and development departments of national companies and offices.

In addition, architectural and landscaping plans will require approval of the Clark's Summit firm.

"Salt Park," declared Mr. Fuller, "should be a major

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY
Also Known as The American Nazi Party,
American Nazis, The World Union of Free
Enterprise National Socialists,
The George Lincoln Rockwell Party

On May 26, 1970, a source who has furnished reliable information in the past advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1959. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

On August 25, 1967, George Lincoln Rockwell was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that Matthias Koehl, Jr., took command of the Party after Rockwell's assassination.

The following references in the file captioned "American Nazi Party, aka National Socialist White People's Party" pertain to William Pierce's activities in connection with the NSWPP, with headquarters, Arlington, Va., during the period 2/18/66-7/22/69. Pierce, who had been a good friend of George Lincoln Rockwell, former National Commander of the ANP, attended Rockwell's funeral in Arlington on 8/29/67, and in December, 1967, appeared to be the only "brains" within the organization.

As of January, 1968, Pierce [redacted] of the ANP, reportedly were trying to take over control of the ANP and allegedly were trying to remove from importance the "hard core" members who had been loyal to, and supported Rockwell.

In recorded "White Power Messages" of the NSWPP, Pierce introduced himself as Dr. William Pierce, and encouraged listeners to write to PO Box 5505, Arlington. These recordings, which were anti-Semitic and anti-Negro, included comments on pending firearms legislation, racial conditions in Washington, DC, comments on NSWPP views, and exhortations to white people to arm themselves against blacks. b7C

It was reported that Pierce appeared to be in charge of a meeting on 9/1/68 which took place in Ottawa, Ontario, and that he met with [redacted] of the Canadian National Socialist Party on 8/31/68. Also set forth was data relating to Pierce's contacts with the Bureau.

AX 157-16

The NYA was founded after the 1968 elections to provide the young people of this country with an alternative to the drug usage and lawlessness of today's campus left. A void was filled and the response was immediate. Thousands of young people joined NYA in the first few months of its existence. NYA has attracted the most outstanding right-wing Advisory Board, including some of America's most distinguished academic and military figures. NYA has selected as its symbol the mathematical sign for inequality, for a forced "equality" means slavery for all - free men are not equal, and equal men are not free.

Objective:

The National Youth Alliance has, as its objective, the protection and perpetuation of the great traditional values of Western civilization. NYA is of world historical significance, for its members are inspired by the pro-Western philosophy of Francis Parker Yockey's masterpiece, Imperium.

Four-Point Program:

1. NYA opposes the use of dangerous drugs and narcotics, and pledges to run those who push them off the campus.
2. NYA pledges to neutralize and overcome Black Power - in particular the unjust demands made upon the educational community.
3. NYA opposes SDS and other anarchist groups which would destroy America.
4. NYA opposes U.S. intervention in foreign wars, such as the no-win war in Vietnam.

AX 157-16

Publications:

ACTION is a monthly newsletter received by our members, supporters and friends. It carries news of what NYA'ers are doing around the country, provides ideas and projects for Action Units, and educates its readers to the perils of liberalism and anarchy.

ATTACK! is NYA's recruiting tabloid which contains information about the organization's programs and policies. It has proven enormously effective in educating and recruiting young people on high school and college campuses.

1. Summary of Subject's Propaganda Activities

While still an officer of the NSWPP, PIERCE was responsible for the writing and recording of the weekly "white power" telephone message which originated from a telephone hookup at NSWPP Headquarters in Arlington, Virginia. The "white power" message was highly anti-Semitic, anti-Negro and occasionally anti-Government. The message could be heard in the Washington, D.C., metropolitan area by dialing Virginia telephone number 528-4361. PIERCE was responsible for writing and recording the "white power" message on the following dates:

April 27, 1970	June 9, 1970
May 5, 1970	June 22, 1970
May 14, 1970	June 30, 1970
May 20, 1970	July 9, 1970
May 28, 1970	July 20, 1970
June 5, 1970	July 30, 1970

Several of the "white power" messages are herein-after set forth:

"Hello. I'm Dr. William Pierce with the National Socialist White People's Party. School will be over for the summer in a few more days and that should cool off the nation's college campuses. It would be sheer folly though to think that there will be any permanent halt to the growing disorder and anarchy

AX 157-16

"in America. In the long run it can only get worse and worse whether measured in terms of street crime, Negro riots, student rebellions, bombings, or what have you. Eventually it will erupt into full scale civil war. I'm certain of this for two reasons--First the system which now rules America is so thoroughly corrupt, rotten, and liberal that it cannot for long continue to defend itself against its enemies who are growing in number everyday. America's government is so decadent and so liberal that even its strongest supporters no longer have any respect for it. Our young people particularly sense this hypocrisy and weakness on the part of our so called leaders. This is true of the orderly and non-rioting young people just as it is of the disorderly minority, and that's why the rioting minority nearly always gets its way. The majority does not care enough about the system to oppose them, for its clearly not worth defending. The second reason that disorder will grow is that a tiny but extremely powerful and well organized minority is working day and night to make it grow. This revolutionary minority, which is nearly all Jewish in its leadership, wants a Communist America. With the support of a substantial portion of the nation's press and the growing number of elected officials they are making rapid progress. The system isn't going to stop them. It's too liberal. But white Americans who are fed up with the Reds and the system and who want to build a new and strong and healthy America can stop them if we organize now. For free information on what you can do, write us today. Our address is 2507 North Franklin Road in Arlington."

May 20, 1970, message

"Hello, I'm Dr. William Pierce with the National Socialist White People's Party. Ever since the

AX 157-16

"black thief was shot when he attacked a white store manager with a knife a few days ago, blacks in Alexandria have been burning and looting. It's inexcusable that the white store manager, Mr. Hanna, was charged with murder and required to post a \$10,000 bond simply for defending himself. He should have been given a medal. It's inexcusable that the Alexandria Police have not been allowed to deal forcefully with the blacks and put an end to the violence and destruction there. And what is more inexcusable is the way the news media has played down and misrepresented the whole business. We keep hearing about black grievances that haven't been remedied; black demands that haven't been met; how angry the Negroes are about the unequal way they're treated, and so forth. The whole idea is to make white people feel that they are the ones really responsible for all the violence and that the poor, repressed black shouldn't really be blamed. One of these days we're going to straighten out these lying, rotten newspapers but I'm afraid it's going to take a revolution to do it. Meanwhile, don't blame the white policemen too much for their ineffective handling of the black riotors. I'm sure they'd like to get in there with tanks and machine guns just as much as we would and put a final end to Alexandria's Negro problems, but the rotten system which rules America today won't let the Alexandria Police do that any more than they would let us. If the Alexandria Police started dealing out some real justice to the black criminals, the newspapers would squeal so loudly that Nixon would have the place swarming with FBI Agents and Federal Marshals in an hour, all making sure that no hair on a black rioter's head was harmed, which is just one more reason why the white people of Alexandria or Arlington or the District or Hyattsville, or

AX 157-16

"any other place cannot solve their Negro problems by themselves regardless of their wishful thinking in that direction. We've got to get together. Let's start doing it.

"For free information, write or visit us at 2507 North Franklin Road in Arlington."

June 9, 1970, message

"Hello. I'm Dr. William Pierce with the National Socialist White People's Party. The overall economic, social, racial, and political picture in America looks pretty gloomy. But there is one bright sign for the future, and that is the beginning, just the first faint beginning of militance on the part of the great white majority. The white American working man has sat on his butt and watched Blacks riot and loot and burn. He's tolerated a corrupt and treasonous government in Washington which has wasted tens of thousands of American lives in no-win wars. He's allowed practically the entire American newspaper, motion picture and broadcasting industries to be taken over by an alien race whose only motives are profit and subversion. He's looked on while America's schools have been turned into training camps for Communist revolution. But his patience is finally wearing out. He's had just about as much as he's going to take. The spontaneous demonstrations by white construction workers, the 'hard hats' are the first sign. As time goes on, there'll be more and more signs, and one day there'll be a white man's revolution in America. It will make the antics of the SDS and the Black Panthers seem like a nursery game. Before its over, there'll be a Jew hanging from every lamppost in the country, and the blacks, that is what's left of them, won't wait for the next boat

AX 157-16

"to Africa, they'll start swimming. Now all this may sound pretty rough and uncivilized, but we missed our chance a long time ago to clean up America while it could still be done gently. So let's get on with the job. For free information write us at 2507 North Franklin Road in Arlington. That address again is 2507 North Franklin Road in Arlington. This has been another 'white power' message."

June 22, 1970, message

A characterization of the Black Panther Party is attached in the Appendix Section of this report.

"Hello, I'm Dr. William Pierce of the National Socialist White People's Party. Well, Mr. Nixon kept his promise and withdrew all our troops from Cambodia before they had a chance to finish the job they were sent to do. All our generals told us they needed more time to thoroughly clean the rats out of Cambodia but the rats in our own Senate were squawking so loudly that Nixon, always the compromiser, agreed to pull our men out. As any honest military man will tell you, there is only one way to fight a war and that is with the uncompromising determination to destroy the enemy, to inflict a total defeat on him. If you aren't ready and willing to do that, then you damned well better not go to war. But Mr. Nixon is not a soldier, he is a politician. He doesn't want to be an extremist, he wants to keep everybody happy. He wants to pull us all together he says, the pinks together with the patriots. The result can only be the half measures, the indecision, the restrictions on the use of our weapons that have characterized the whole Vietnam war. When it's all over, 50,000 young Americans

AX 157-16

"will have been killed for nothing. For nothing! Because we won't have really settled anything, we won't really have won a war; and the reason, in addition to Nixon's complete lack of spine, the reason will be treason. And just as there is only one way to fight a war, there's only one way to deal with a traitor. You don't argue with him or vote against him in the next election, you kill him. McGovern, Fulbright, Hatfield, the whole rotten bunch need a bullet right between the eyes. The National Socialist White People's Party is holding a public rally on Sunday, July 5, at 2 p.m. at Ninth and Constitution Avenue in Washington. We'll talk about the war and other issues of vital concern to white Americans. We hope you'll be there. This message comes to you from 2507 North Franklin Road in Arlington."

June 30, 1970, message

Concerning the above "white power" message of June 30, 1970, Assistant U.S. Attorney C. P. Montgomery, Jr., at Alexandria, Virginia, advised on July 1, 1970, that the only Federal statute to be considered in regard to the NSWPP telephone message of June 30, 1970, would be Title 18, Section 875(c), U.S. Code. Mr. Montgomery declined prosecution based on the inability to establish the interstate commerce element wherein the statute requires proof beyond a reasonable doubt that an individual transmitted a communication in interstate commerce whereas the subject, WILLIAM PIERCE, did not transmit any communication in interstate commerce but merely left a prerecorded telephone message on his telephone line. Mr. Montgomery stated that there is serious question as to whether this message does constitute an actual threat to do injury. Mr. Montgomery mentioned that he had discussed the matter with the Commonwealth's Attorney of Arlington County, Virginia, and he is taking the matter under consideration for possible local prosecution under the Virginia ordinance which prohibits threatening and abusive language.

AX 157-16

On August 31, 1970, the subject circulated a "Prospectus for a National Front" among associates whom he felt were interested in a new national socialist development after his expulsion from the NSWPP.

He stated that he would approach a number of individuals who would be in a position of offering him financial support for an initial National Front staff of perhaps three or four outstanding national socialists. It was the desire of the subject that from this initial staff, that he would be able to formulate a large following and eventually gain political power.

Set forth hereafter are representative quotations extracted from the subject's "Prospectus for a National Front" that gives an insight into his goals and political philosophy:

"America today--and, more specifically, the American people--face the most serious and deadly menace which has arisen in their entire history. This menace far overshadows that posed by any war we have fought, any economic catastrophe through which we have passed, or any previous domestic strife which has torn us. For today we are faced not just with a threat to our territorial integrity, or to our material possessions, or to our way of life, or even to our own lives, but to something far dearer. Today all that we ever have been and all that we ever might be--our race itself--is threatened with extinction.

"Everyone to whom this is addressed is already fully aware of that grim fact and, furthermore, understands the reasons why. Yet, despite this fairly widespread recognition of the threat--a recognition which has been present for many years

AX 157-16

"now--virtually no effective defensive measures have been undertaken by any segment of the American people--neither by the racially oriented 'radical right' nor by 'responsible' right wingers nor by anyone else.

"Certainly none of the presently existing conservative or right-wing or anti-communist or racist organizations in America, regardless of the militant stance and revolutionary pretensions of a few of them, can by any reasonable stretch of the imagination be seriously considered as a basis for building the sort of large-scale revolutionary movement we must build within the very near future if we are to maintain our racial integrity and survive as a people."

"The first thing which must be clearly defined is the goal of any new political effort. Our political goal must be nothing more or less than the building of a power base for a White people's revolution led by National Socialists. Keeping this single objective always in mind, we must be prepared to use whatever methods and take whatever path will lead us most surely to that objective.

"In particular, ideology must never be used to establish tactical criteria. Anything which brings us closer to our goal, which enhances our political strength, is acceptable. If 'respectable' tactics are called for, then no fear of being labeled 'bourgeois' must deter us. Likewise, if illegality and terrorism are called for, no charge of 'bol-shevism' must be allowed to cause us to hesitate."

"We must always remember that our immediate aim is power--the capability for mobilizing and directing

AX 157-16

"the energies of large masses of people. In order to do this we don't have to compete with the Democrats and Republicans for blandness or mediocrity. But we do have to avoid isolating ourselves from the public with programs and images so radical that only a small fraction of one percent will respond.

"We must attract quantity--in which alone the power lies--and then extract from that quantity those individuals suitable for a cadre. We need both the masses and the cadre--neither alone will suffice."

"Ultimately, some single party, with an undisguised National Socialist program, may very well become the bearer of the revolution. But, without a leader of extraordinary capability, that is not likely in the near future. We must act now, and we must choose a mode of operation which allows us to build the largest possible power base with the greatest possible speed."

On October 14, 1970, under Charter #128608, the NYA was incorporated in Virginia with WILLIAM L. PIERCE as the registered agent. The Article of Incorporation indicated that the NYA was to be a non-stock corporation.

The following purposes of the corporation were listed under the Articles of Incorporation:

To establish lines of communication with university students and other young Americans to develop in those with whom communication is established an understanding of and pride in their racial and cultural heritage and an awareness of the present dangers to that heritage.

To unify those with such understanding, pride, and awareness into building an effective force for building a new order of American life.

The letter to the State Corporation Commission requesting incorporation was dated October 6, 1970, and a return address of Box 9473, Arlington, Virginia, was indicated. This letter was signed WILLIAM L. PIERCE.

The following three individuals were listed as Directors of NYA:

On December 21, 1970, subject was reported to have severed completely all ties with the NSWPP [REDACTED]

[REDACTED] A number of NSWPP supporters [REDACTED] appear hostile towards PIERCE. Some, it is reported, spoke of doing bodily harm toward him but it is felt that the talk was merely boastful by individuals attempting to preserve their toughness. Reported also at this time was the information that the subject had obtained a charter for running the NYA and that an individual identified as LOUIS BYERS was going to assist him, [REDACTED] PIERCE and [REDACTED] were said to be also opening a book store in the Georgetown section of Washington, D.C.

At this time it was also reported that PIERCE had not yet established or was working in that vein, to get the "National Front" he previously had proposed, moving. It was stated that his interest in the "National Front" waned since he had become affiliated with the NYA.

In December, 1970, it was reported that the subject and [REDACTED] were to join with LOUIS BYERS in heading the NYA.

The Washington Post, a daily newspaper published at Washington, D.C., reported on December 22, 1970, that the NYA had reorganized its staff and opened new offices in the Georgetown Section at 1656 Wisconsin Avenue, N.W., Washington, D.C. The report stated that LLOYD had succeeded BYERS as National Organizer of the NYA and that BYERS had been elevated to a newly created position of NYA president. According to this article, PIERCE had been referred to by BYERS as "an NYA friend," but is not on the NYA payroll.

The above article stated that the NYA had increased its administrative workload in the last year, and would at least double its present staff of four in the next few months. It was indicated in the article that the NYA had outgrown available space at its previous office near Dupont Circle, and that the new space included a "Western Destiny" bookstore stocked with about 300 different works. It was noted that the new location was selected because of its proximity to the Washington youth culture.

The November-December, 1970, issue (Volume III, Number III) of Statecraft, an extremely anti-Semitic and anti-Negro publication, contained an article that disclosed the NYA in October, 1970, had published the second issue of its tabloid ATTACK "ostensibly under the editorship of a certain 'Luther Williams.'" Statecraft charged "There is no such person as 'Luther Williams.'" The name is a pseudonym for the former Information Officer (since expelled) of the National Socialist White People's Party."

The article included a photo of Dr. WILLIAM LUTHER PIERCE who is identified in the caption as Luther Williams.

The December 22, 1970, edition of The Washington Post reported the new office of the NYA to be located at 1656 Wisconsin Avenue, N.W., in the Georgetown Section of Washington, D.C.

CHARACTERIZATIONS OF ORGANIZATIONS

1

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
Also Known As THE AMERICAN NAZI PARTY,
AMERICAN NAZIS, THE WORLD UNION OF FREE
ENTERPRISE NATIONAL SOCIALISTS, THE
GEORGE LINCOLN ROCKWELL PARTY

The National Socialist White People's Party, also known as The American Nazi Party, American Nazis, The World Union of Free Enterprise National Socialists, The George Lincoln Rockwell Party, was organized on February 26, 1956, at Arlington, Virginia, based upon the concept of an international "National Socialist" movement as espoused by the German Nazi Party headed by Adolf Hitler. The organization supports and follows the line of hatred against Negroes, Jews and communists through various propaganda media seeking a legitimate dominant political party in the United States and Foreign countries.

BLACK PANTHER PARTY
also known as
BLACK PANTHER PARTY
FOR SELF DEFENSE

According to the official newspaper of the Black Panther Party (BPP), the BPP was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by Bobby G. Seale, BPP Chairman, and Huey P. Newton, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, George Murray. This article ended with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

b7C

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

[REDACTED] BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

[REDACTED]

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture, Emory Douglas, as follows:

2

"The only way to make this racist US government administer justice to the people it is oppressing, isby taking up arms against this government, killing the officials, until the reactionary forcesare dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U. S. government."

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California. Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the USA.

A source advised on May 11, 1970, the Nation of Islam (NOI), an organization for members of the black race only, had its origin in Detroit, Michigan, in the early 1930's. Headquarters is Muhammad's Temple Number 2, 5335 South Greenwood Avenue, Chicago, Illinois, which affords direction to numerous affiliate branches, commonly referred to as Muhammad's Temples or Mosques, located throughout the United States. The leader is Elijah Muhammad, self-styled "Messenger of Allah" and the only divinely appointed leader of the black race in the United States, who controls all policies and programs.

Muhammad's teachings stress Allah (God) selected him to lead the so-called Negro out of slavery in North America through establishment of an independent black nation in the United States; the white man is the "devil" and open enemy of the black man; black and white races must be separated; the white man, his Government and religion will be destroyed by Allah through the forces of nature in the "War of Armageddon," a war between Allah and the "devil." Muhammad's teachings are spread through weekly radio broadcasts throughout the United States and through "Muhammad Speaks," the official NOI organ which is published weekly in Chicago and distributed to affiliate Mosques for use in weekly sermons and for distribution to the public.

Muhammad and other NOI members have refused to comply with Selective Service Laws stating that they respect laws of the United States provided they do not conflict with NOI laws. They do not believe the Government should force them to participate in wars when they have nothing to gain.

STUDENTS FOR A DEMOCRATIC SOCIETY

Students for a Democratic Society, commonly known as SDS, came into existence at a founding convention held during June, 1962, at Port Huron, Michigan. From an initial posture of "participatory democracy," Marxist-Leninist ideology of various shadings became predominant during 1968-1969 with debate centering on how best to create a revolutionary youth movement. SDS moved from involvement in the civil rights struggle to an anti-Vietnam war position to advocacy of a militant anti-imperialist line linking up the oppressed peoples of Asia, Africa and Latin America with the black liberation movement in the United States. All major factions within SDS embrace Marxism-Leninism and identify internationally with China, Cuba and North Vietnam as countries leading the worldwide struggles against the United States. However, the Soviet Union was regarded as imperialist and with the Communist Party, United States of America, "revisionist" in nature.

SDS operated under a national constitution which called for an annual National Convention (NC) and quarterly National Council meetings wherein programs were initiated and debated. Three national officers were elected annually with a National Interim Committee to run the organization. Regional offices and college chapters elected delegates to the national meetings but each functioned independently on local matters. Its official publication "Fire" (formerly "New Left Notes") last appeared in December, 1969.

Internal factionalism of serious proportions developed during 1968 - 1969 and the following three factions evolved as a result of a split at the June, 1969, NC: Weatherman, Worker Student Alliance (WSA), and Revolutionary Youth Movement (RYM). The effect of the split on SDS chapters throughout the country was divisive. Some aligned with one or the other of the three major factions. Others, unable to identify with any faction, disassociated with SDS completely and changed names.

The SDS national office in recent years was located at 1608 West Madison Street, Chicago, Illinois. It was closed in February, 1970.

The Weatherman and RYM groups no longer consider themselves associated with SDS, and the WSA group refers to itself as the true SDS.

REVOLUTIONARY YOUTH MOVEMENT

A source advised that the Revolutionary Youth Movement II (RYMII) faction of Students for a Democratic Society (SDS) held a national conference at Atlanta, Georgia, from November 26 to 30, 1969. At this conference it was decided to form a new organization to be known as Revolutionary Youth Movement (RYM), characterized as a mass anti-imperialist youth organization, said organization being proposed as separate and distinct in form and content from SDS. The "Principles of Unity" adopted by the conference included a struggle against white supremacy and male supremacy; fights against imperialism, anticommunism, fascism and oppression of youth; and support of the right of self-determination of all "oppressed nations," also support of the right of all "oppressed and exploited" peoples "to armed self-defense." It was agreed that RYM would not be a Marxist-Leninist organization; however, source said this was decided in order to indicate an organization broad enough in form to be acceptable to everyone. A temporary National Steering Committee (NSC) made up of eight females and two males was elected to govern RYM until national officers could be elected during the Spring of 1970.

RYM publications have listed the RYM National Office (NO) at Post Office Box 5421 and Post Office Box 77012 C, both Atlanta, Georgia, and a second source has advised that the NO has no office space but would probably be considered as located at Apartment 27, 1067 Alta Avenue, Northeast, Atlanta.

Second source advised that women dominated the founding conference and have continued to dominate NSC meetings to the point that "women's liberation" has apparently become the RYM's principal issue - also that RYM's poor financial condition has resulted in its failure to publish a paper. During early 1970, RYM has decided to cater to the working class rather than youth, since the potential for social revolution lies in workers.

A third source has stated that it was decided at the March, 1970, NSC meeting that RYM women had decided the organization will be molded into a "working class, Marxist-Leninist, revolutionary, anti-imperialist, problack nationalist, people's women's liberation organization."

WEATHERMAN

Initially called the "Action Faction," Weatherman came into being immediately before the June, 1969, Students for a Democratic Society (SDS) National Convention (NC). At this NC Weatherman won all three national officer positions and a majority of the National Interim Committee as well. Subsequently, they took over the SDS National Office (NO) in Chicago, and controlled its funds, paper and national records. Although internal struggle existed until late 1969, Weatherman for all major purposes controlled SDS nationally from June, 1969, until its NO closed in February, 1970. At this time it no longer considered itself part of SDS.

The term Weatherman emerged from an ideological paper prepared by its leaders entitled "You Don't Need a Weatherman to Know Which Way the Wind Blows " ("New Left Notes" June 18, 1969). This statement outlined the basic stance of Weatherman: Marxist-Leninist in content but with strong advocacy that action not theory would bring about revolution in the United States. This posture was complemented with an international identification to the Cuban revolution and Castro's statement that the duty of a revolutionary is to make revolution.

During October, 1969, Weatherman riots in Chicago resulted in more than 260 arrests for mob action and related charges. A program of armed struggle was finalized during a December, 1969, "War Council" wherein terrorist tactics and political assassination were contemplated. The basic strength of Weatherman was then revealed to be some 300 - 350 nationally and geographically apportioned to the Midwest, New York, and some Northwest.

As its rhetoric of violence escalated, Weatherman leaders increasingly discussed the necessity of an underground operation wherein more than 90 percent of the organization would be submerged; "affinity groups" of three - five members would function independently. In February, 1970, Weatherman leaders announced a program of "strategic sabotage" with police and military installations as primary targets.

In February, 1970, Weatherman abandoned the SDS NO, 1608 West Madison Street, Chicago, Illinois, and throughout the country entered an underground status.

WORKER STUDENT ALLIANCE/PROGRESSIVE LABOR PARTY

A source advised during August, 1969, that at the National Convention (NC) of Students for a Democratic Society (SDS) held in Chicago, Illinois, during June, 1969, a split arose between the Progressive Labor Party (PLP) and the National Office (NO), the NO becoming known as the Weatherman faction. The PLP faction drew the largest support among those in attendance at the NC.

Source further advised that during late Summer, 1969, the PLP faction of SDS established its National Headquarters (NH) on the second floor of a loft-type building at 173A Massachusetts Avenue, Boston, Massachusetts. The campaign on which the PLP faction centered was to build a worker student alliance or a campus worker student alliance. Thus, they adopted the names of Worker Student Alliance (WSA) or Campus Worker Student Alliance.

Source stated that the "New Left Notes," printed in New York City, is the official publication of the WSA faction.

A second source advised during January, 1970, that within the SDS, the WSA is a caucus of which the PLP constitutes the leadership.

A third source advised during July, 1970, that during demonstrations staged in the Boston area during the Spring and Summer of 1970 by the NH, the main theme of previous demonstrations staged by the NH shifted from protestations of the Vietnam War and other United States foreign policy matters to attacking domestic issues such as racism and unemployment and demonstrating support of the "workers' struggle."

PROGRESSIVE LABOR PARTY

"The New York Times" city edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the Progressive Labor Party (PLP) which had been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962 by Milton Rosen and Mortimer Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City, May 31 to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism.

b7C

The source also advised that at the Second National Convention [redacted] was unanimously reelected [redacted] of the PLP and [redacted] were elected as [redacted] the PLP until the next convention.

The PLP publishes "Progressive Labor," a bimonthly magazine, and "Challenge-Desafio," a monthly newspaper.

Source advised on May 25, 1970, that the PLP utilizes an address of General Post Office Box 808, Brooklyn, New York, and also utilizes an office in Room 617, 1 Union Square West, New York, New York.

EXTREMIST MATTER - NATIONAL YOUTH ALLIANCE
NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
also known as
THE AMERICAN NAZI PARTY,
AMERICAN NAZIS,
THE WORLD UNION OF FREE ENTERPRISE
NATIONAL SOCIALISTS,
THE GEORGE LINCOLN ROCKWELL PARTY

On March 30, 1971, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews and communists through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

On August 25, 1967, George Lincoln Rockwell was assassinated in Arlington, Virginia, near the ANP headquarters building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that Matthias Koehl, Jr., took command of the Party after Rockwell's assassination.

WILLIAM L. PIERCE

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences which were then considered to be fomenting chaotic conditions on the campuses of American colleges and universities.

The NYA program promoted by its former National Organizer, Louis T. Byers, opposed the use of dangerous drugs and narcotics; Black Power; and anarchist, Marxist and other radical groups on campus; and opposed American involvement in the "no-win" war in Vietnam. NYA dedicated itself to the preservation of "Western" culture and the eradication of Zionist influences from American life.

Following re-organization in the latter part of 1970, NYA headquarters were established at 1656 33rd Street, Northwest, Washington, D.C. The new NYA organization was chartered by the State of Virginia on October 14, 1970, and control was vested in Byers as President; [redacted] and William L. Pierce, Secretary-Treasurer. [redacted] and Pierce are former officials of the National Socialist White People's Party who left the party following an abortive power play in the Summer of 1970.

The National Socialist White People's Party is characterized separately in the Appendix.

NYA publishes a tabloid newspaper, "Attack!" and an internal newsletter, "Action", under the editorship of William L. Pierce. In the Summer, 1970 (Number 6), issue of "Attack!", an editorial statement declared it was no longer possible to cure "the System" by constitutional means and suggested the ultimate possibility of violent revolution. It stated that NYA had the responsibility for accepting a leading position in coming revolutionary developments.

WILLIAM LUTHER PIERCE
EXTREMIST MATTER - NATIONAL YOUTH ALLIANCE

A characterization of the National Youth Alliance (NYA), which includes information concerning William Luther Pierce, appears in the Appendix to this communication.

An article appearing in the October 1, 1971, issue of "The Washington Post and Times Herald", a daily newspaper published at Washington, D.C., Page A-16, captioned "Mailing List Theft Laid to Lobbyist", reflects that Dr. William Pierce, editor-in-chief of publications of NYA had been indicted in Superior Court the previous day on charges of receiving stolen property. The article identifies the stolen property as a mailing list belonging to Liberty Lobby, a rival conservative group. The list allegedly contained 24,000 names and is valued at more than one hundred dollars. The article states that according to Liberty Lobby, "Pierce's group used the mailing list to send 'poison pen' letters to its own adherents criticizing the heads of Liberty Lobby". Pierce is identified in the article as a former member of the National Socialist White People's Party who runs the NYA newspaper, "Attack!", which is said to reach 30,000 persons.

The National Socialist White People's Party is characterized in the Appendix to this communication.

Records of the office of the Clerk of the Superior Court for the District of Columbia (Criminal Division), Washington, D.C., disclosed on November 10, 1971, that Pierce was arraigned on September 29, 1971, following an indictment charging him with a felony, i.e., receiving stolen property. The case was continued until November 16, 1971, for trial before Judge Alfred Burka.

Although [] and the other [] at the NYA, together with PIERCE and his three associates at the NYA, all have previous connections with the ANP or the NSWPP, the NYA has shown little indication of spreading to a nationwide organization or attracting any significant additional membership, and continues to appear to be primarily a money-making operation for PIERCE and his associates.

WFO will intensify its investigation of the NYA in order to insure that the Bureau is aware of the activities of this organization.

In view of the above, WFO intends to furnish promptly all information received from source to ATFD for their assistance in the conducting of their investigation of the three subjects for unlawful possession of explosives and weapons. WFO will maintain close contact with ATFD in view of WFO's interest in NYA activities and will promptly advise the Bureau of any significant developments.

WILLIAM L. PIERCE;
NATIONAL YOUTH ALLIANCE
EXTREMIST MATTER - NATIONAL YOUTH ALLIANCE

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth for (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

On February 10, 1972, a confidential informant with whom contact has been insufficient to assess reliability, but who is in a position to furnish reliable information, advised concerning an appearance by Dr. William L. Pierce, Executive Director of the NYA, on the campus of the George Washington University, Washington, D. C., on the evening of February 3, 1972. Pierce allegedly was invited to the university by a member of a student program board to address interested students in behalf of the NYA. The source said that announcement of Pierce's appearance was withheld from the general student population and that Pierce was actually confronted by twenty-three hostile, Jewish activists, including a Rabbi, when he appeared for the meeting. According to the source, Pierce was pelted with eggs and a stink bomb and threatened with physical assault during the appearance.

ENCLOSURE

WILLIAM L. PIERCE

The source said it was believed that the Jewish Activist Front of the George Washington University was in collusion with members of the Jewish Defense League to lure Pierce onto the campus in order to assault him. The source learned that the NYA is considering legal action against the university and the individual who invited Pierce to appear on the campus.

The Jewish Defense League (JDL) founded in 1968 is composed primarily of young Jewish militants who consider themselves as defenders of "Jewish rights." Demonstrations attempting to dramatize the Jewish problem in Russia and similar demonstrations against Arab establishments have often resulted in violence. Rabbi Meir Kahane, founder and National Director, has stated publicly on many occasions that violence is sometimes necessary to accomplish JDL aims.

It is noted that the Monday, February 7, 1972, issue (Volume 68, Number 29) of "The Hatchet," student publication of the George Washington University, reported the above incident in its lead story on Page One. A cartoon relating to the incident and a letter protesting the treatment of Pierce during his appearance on the campus written by Scott Sklar, Chairman, Political Affairs Committee, Program Board of the George Washington University, appear on Page Four of this publication.

Reproductions of the news story, cartoon and Sklar's letter pertaining to Pierce's appearance at the George Washington University appearing in "The Hatchet" on February 7, 1972, are attached.

Ex-Nazi Assailed by Eggs, St

by Dick Polman
News Editor

An ex-American Nazi Party member fell victim to an egg and stink bomb barrage from Jewish militants Thursday night in the University Center.

William Pearce, former editor of the neo-Nazi *White Power* newspaper, speaking on behalf of his National Youth Alliance, faced 15 angry Jewish

supporters in a closet size Center conference room.

"I think there's enough here for a minyan now," one heckler cracked, as others slid "Jewish Power" buttons along the table to Pearce who was attempting to explain why the NYA was not a rightist organization.

He was repeatedly cut off by shouts of "Sit down, you son of a bitch," and "You're an ugly bastard." Pearce glibly

noted "There seems to be a large Jewish element here, which may or may not be representative of the George Washington University."

A gray haired, and bearded man standing in the rear of the room continued baiting Pearce, and the two exchanged angry glances. Finally Pearce smiled sardonically at the antagonist, and remarked "You think you're a pretty smart kike, don't you?"

The heckler pushed his way to the front, waving his umbrella, and demanded Pearce respond. "What're you gonna do?"

Suddenly, from the room came a bang which splattered Pearce's neck, and chest. While Pearce continued, the orange stink bomb began to fill the room, originating from one of the chairs.

As the smoke cleared, the room emptied, save for Pearce and Program Board member Doug Allen, who had been with Pearce before their arrival, connected on a few tosses through the door.

Center Night Manager Knorr arrived, and he took Pearce to a men's restroom where this happened here. Pearce asked Knorr, "This is the first time I've been here."

While Pearce washed in the bathroom, most of the crowd disappeared down the

Burglar Rifles Gym Lockers; Flees with Money, Keys, Pants

by Michael Drezin
Asst News Editor

Keys, a pair of pants and an undetermined amount of money were taken from unattended lockers in the men's gym Friday afternoon while about twenty-five persons were playing basketball.

According to law student Ron Tipton, who lost a pair of pants in the incident, at least five or six persons left their clothes in lockers adjacent to the shower area of the gym. Tipton said the lockers were unbolted but that a maintenance man was supposed to have been guarding the area.

The extent of the loss could not be immediately determined because of Campus Security's policy prohibiting the dissemination of news without the approval of Director Harry Geighen or Assistant Director Byron Matthai. According to Security, Geighen is currently taking a "leave of absence" putting Matthai in charge of information.

When reached by phone at his home Sunday, Matthai was not aware of the robbery but said he could not let the Hatchet see reports filed on the incident. "I couldn't very well give you permission to look at reports when I'm not there and haven't seen them," he said.

The loss was first discovered around 3 p.m. when players were asked to clear the floor so it could be cleaned before the

varsity basketball team began its practice. Tipton said he "heard people cursing" and later discovered that "someone had taken (his) pants which had nothing of value in them." Tipton, who lives near the gym said, "I had on gym trunks...so I ran" home.

One student at the gym who lost no property in the incident

complained there is "very little control over what happens in the gym. People come and go like crazy. There's no one there to regulate it to speak of...It's really ridiculous."

Tipton said he will continue playing basketball in the gym but added, "I don't intend to dress in that locker room any more-- that's far too dangerous."

SFU Backs All-Univ. Assembly

by Kent Ashworth
News Editor

One of GW's leading proponents of the All-University Assembly concept is the Student-Faculty Union, characterized by SFU Secretary and History Prof. Peter Hill as a "student-faculty civil liberties union."

"It really is a walk-in organization - open to everyone," Hill explained. "Anyone is welcome to raise any issues."

SFU, which operated an information center during the Mayday demonstration last spring and holds open meetings on campus issues, has been concerned with the All-University Assembly since Fall '71. The group is also considering changes in the University charter, and is dealing with the issues of departmental advisory councils and the firing of Charles McClenon from the Hatchet staff.

Vicki Anderson, student co-chairman of SFU, says the organization "makes sure that the rhetoric published by University committees is someday enacted."

"SFU is a microcosm of what an All-University Assembly might be," Anderson commented. "Students and faculty members have never worked together

before, and this shows it can be done. The fact that it recognizes this type of partnership idea."

Asked where the real "power" lies, Anderson said, "Power is where Dr. Elliott chooses to listen. Lately, the only one exercising it is the Faculty Senate."

Anderson explained SFU is hoping Elliott to consider ideas and involvement of alumni, student and University employees in the format of the steering committee authorized at the Jan. 25 meeting of the Board of Trustees and supported by the Faculty Senate to do the groundwork for an all-university assembly.

SFU, in a resolution last November recommended the steering committee "create the broadest possible representation within the present assembly."

Anderson, who co-chairs the group with Engineering Prof. Barry Hyman, feels the general faculty attitude toward students is "not exactly paternalism, but it's sort of close to it. You're told you're only here for four years while they're here for fifty

The heckler proceeded to push his way to the front, waving his umbrella point at Pearce, demanding that he leave. Pearce responded feebly "What're you gonna do about it?"

Suddenly, from all points in the room came a barrage of eggs, which splattered Pearce's head, neck, and chest. While the eggs continued, the orange smoke of a stink bomb began filling the room, originating from under one of the chairs.

As the smoke thickened, the room emptied, save for Pearce, and Program Board member Doug Allen, who had introduced Pearce. Security was called, but before their arrival, the hecklers connected on a few more egg tosses through the crack in the door.

Center Night Manager Bill Knorr arrived, and helped escort Pearce to a men's room. "Does this happen here very often?" Pearce asked Knorr, who replied "This is the first time (since) I've been here."

While Pearce washed in the bathroom, most of the hecklers disappeared down the stairwell.

Allen later stated the Program Board had sent a warning note to Security "which we don't usually do," but added that Security claimed they received no such note.

The Jewish Activist Front of GW, which did have members at the incident, disclaimed any responsibility for the incident. According to JAF member James Lampke, "We planned to have a verbal heckling, and then walk out. But circumstances were beyond our control. People from outside the campus came in - not anyone from our group was connected with the egg or stink bomb throwing."

Shortly after the incident, the Jewish Defense League of Washington notified the Hatchet that "We're responsible for it."

JAF also expressed concern that the incident would damage their standing with the GW Administration. The group "deplores... the Jewish Defense League of Washington, including organizational branches at GW, American, and University of Maryland (for coming) to the event,... carrying forth their own disruption without considering the consequences that would befall JAF."

The Program Board, which sponsored Pearce's appearance, passed a resolution Friday in part saying "The event... was a wholly irresponsible act by the people who resorted to the use of physical violence. We... cannot condone the heckling of a speaker, and... the use of physical violence to disrupt any program."

At present, an investigation of the incident is being conducted by Officer Doug Gurnsey of the Security Force.

The egg barrage was reminiscent of a similar incident in February, 1970 when former Young Americans for Freedom chairman Ed Grebow was the target of a similar missile hurled in wild disruption of a speech by converted conservative Phillip Luce. YAF sponsored that appearance.

Security Inept

One night last week while walking down F St. towards Thurston Hall I came upon a body lying on the sidewalk. The body appeared quite lifeless and rather than play police myself, I decided to call GW security.

I walked down F St. and picked up one of the special emergency phones which rang three times before anyone answered it. I then explained my situation, giving the exact location of the body, my name, etc. - then I hung up. Moments later the phone rang back and I was asked to repeat the location of the body - which I did. Ten minutes later a security car arrived.

My purpose for writing this letter is not to knock down the GW security force, but to suggest that they may be stale, perhaps from lack of action. Had I been in grave danger at the time I made the call, I might not have been able to write this letter. Yes, mistakes will happen. In my case I was lucky - it was a drunk. The next person may not be so lucky. It would be better if the security force didn't make any mistakes. They can't afford mistakes, and neither can we.

Physical Abuse

I am writing to publicly denounce the actions that people took to deliberately

disrupt a discussion with Dr. William Pierce, a member of the National Youth Alliance. The National Youth Alliance is an extreme right-wing organization which espouses anti-semitic, anti-black and anti-student sentiments. Although I unequivocally disagree with everything the NYA stands for, I cannot condone those that by physical violence (by throwing of eggs, a smoke bomb, and almost assaulting him with an umbrella) succeeded in stopping the discussion.

As Political Affairs Chairman, it has been my policy and will continue to be my policy to allow any recognized representative of any political organization, no matter of what political persuasion, to speak at GW, as long as they can meet my budget limitations. (Dr. Pierce spoke for free). I have always promoted the idea of free speech and of VERBAL, not physical confrontation.

I deplore any physical act to stop any political speaker, for at EVERY program I solely sponsor, both the speaker and the audience have a chance to verbally interact.

I at one time thought that education fostered liberalism which is synonymous with 'toleration.' However, I may be wrong. I think it is sad that I have to worry about physical attacks on the speakers I present instead of what could be a productive intellectual confrontation between the speaker and the student.

PIRG

As members working to organize the GW chapter of DCPIRG, we would like to elaborate on Ralph Nader's letter which appeared in last Thursday's Hatchet. Mr. Nader's letter put forth the goals for DCPIRG; now we would like to set forth the means for attaining those goals. Based on the experience of Public Interest Research Groups in Minnesota, Oregon, Vermont and other states, we would like to outline the methods to be used in organizing and funding DCPIRG.

According to the source, Pierce allegedly was assaulted by Jewish activists while on the campus to address a meeting of students interested in political affairs. The source indicated that the NYA was considering legal action against the University and the individual who had invited Pierce to speak at the meeting based upon the contention that Pierce had been lured onto the campus of George Washington University for the purpose of perpetrating an assault upon him.

On 4/18/72, [redacted] (protect identity; characterize as having been contacted insufficiently to assess reliability but in a position to furnish reliable information) advised as follows:

The informant advised that NYA Headquarters, 1656 33rd Street, N.W., WDC, is also the mailing address for ECO Labs, and that ECO Labs is a fictitious entity used by PIERCE as a mail drop for receiving certain chemicals and laboratory paraphernalia.

The informant stated that at about the time PIERCE began preparing a series of articles for publication in the NYA tabloid newspaper, "Attack!", entitled "Revolutionary Notes", which purported to instruct readers how to build, deploy and detonate simple incendiary and explosive devices, ECO Labs began to receive shipments from dealers in scientific equipment at Baltimore, Maryland. These suppliers were identified by the informant as VWR Scientific, 5-31 N. Haven Street, Baltimore, Maryland, 21224, and Wills Scientific (address not furnished). These firms allegedly advertize themselves as dealers in laboratory supplies, equipment, chemicals and others.

The informant surmises that PIERCE, who is said to have been educated as a physicist, actually obtained the materials needed to experiment with the devices and techniques described in "Revolutionary Notes" before the articles were published in "Attack!". The informant felt quite certain, however, that these experiments did not take place at NYA Headquarters in WDC. The informant did not know where these experiments might have occurred or who might have participated therein, but noted that PIERCE has some professional associates upon whom he could call for technical advice.

The informant indicated that shipments to ECO Labs were addressed to Mr. WILLIAM PIERCE, Purchasing Agent. The informant did not believe that materials for the above ex-

periments were received in sufficient quantities to produce incendiary and explosive devices for distribution to prospective buyers. The informant noted that although "Revolutionary Notes" began to appear in "Attack!" during the summer of 1971, PIERCE obtained control of the NYA in approximately November, 1970.

Due to the highly sensitive position of [] (Prob) and his as yet unproved reliability, it is recommended that investigation of this matter be discreetly conducted by the Baltimore Office and that the results thereafter be disseminated by WFO with appropriate regard for the security of the informant.

Investigation on lead in referenced airtel revealed that VWR Scientific 5-31 N Haven Street, Baltimore, Maryland and Wills Scientific are the same business entity. Baltimore contacted [redacted]

[redacted] for VWR Scientific. VWR Scientific is a large manufacturer and supplier of chemicals and laboratory equipment.

[redacted] advised that ECO labs had placed 13 orders for equipment and chemicals, the earliest being November, 1971 and the latest being March 21, 1972. Baltimore is enclosing a copy of the latest Invoice. [redacted] advised that the latest order was the only order placed by ECO Labs that had to be initialed by him because it contained a restricted item Pot Chlorate. In checking over the previous 12 orders [redacted] advised that there was nothing unusual or restrictive. However, he did indicate that the proper combination of several chemicals received could be potentially dangerous.

[redacted] did not relinquish copies of all 13 orders. He indicated that ECO Labs has been a good customer and without further information as to the nature of the Bureau inquiry, he felt it would be improper to give copies of all 13 orders. In view of requested discreet inquiry Baltimore did not reveal any facts as given in referenced airtel. It is felt by this Division that if WFO desires copies of all orders placed by ECO Labs this Division could acquire the full cooperation of [redacted] by explaining certain facts re WILLIAM PIERCE and the publication Attack.

During conversation with [redacted] it was learned that each district has a sales representative. The sales representative occasionally visits their customers to display new products and see if the customers are satisfied with VWR's products. Again, the Baltimore Division feels if certain facts re PIERCE are disclosed to [redacted] he would be completely cooperative and through his cooperation WFO could utilize VWR's sales representative to gain access to PIERCE'S lab and possible get a professional opinion as to PIERCE'S laboratory setup.

Dr. William Luther Pierce is Executive Director of
the National Youth Alliance, Washington, D.C.

The National Youth Alliance (NYA) is an organization originally formed from a nucleus of Youth For (George C.) Wallace supporters following the 1968 presidential election for the purpose of countering radical leftist and anarchist influences on the campuses of American colleges and universities. NYA currently is controlled by individuals who militantly promote white racialism and anti-Zionism and who suggest violent revolution ultimately as the means for implementing their racial and political ideas in America.

A confidential informant who has furnished reliable information in the past advised on February 10, 1972, that Pierce allegedly had been assaulted by Jewish activists while on the campus of George Washington University, Washington, D.C. to address a meeting of students interested in political affairs. The informant indicated that legal action against the University and the individual who had invited Pierce to speak at the meeting was being considered.

The April 24, 1972, issue of "The Hatchet" (Volume 68, Number 47), a student publication of The George Washington University, carried an article by Michael Drezin entitled "Ex-Nazi Pierce Sues GW, Asks \$50,000 For Assault" at Page 2, column 1. A reproduction of this article is attached.

The Jewish Defense League (JDL) founded in 1968 is composed primarily of young Jewish militants who consider themselves as defenders of "Jewish

Rabbi Meir Kahane, founder and National Director, has stated publicly on many occasions that violence is sometimes necessary to accomplish JDL aims.

Ex-Nazi Pierce Sues GW Asks \$50,000 For Assault

by Michael Drazin
News Editor

An ex-American Nazi Party member who was pelted with eggs and attacked with stink bombs last February while attempting to deliver a speech in the Center is suing GW for \$50,000.

According to the suit filed in behalf of William Pierce, former associate editor of the neo-Nazi White Power newspaper, when Pierce began to speak before the audience of 15, "he was almost immediately subjected to assault and battery by thrown fresh eggs, furnishings in the room were set on fire, irritant bombs were thrown, all directed at the plaintiff, who was thereby subjected to abuse and ridicule, threatened with bodily harm, and actually struck by

approximately one dozen eggs."

The suit also alleges GW "knew or should have known that plaintiff would be subject to assault and battery, and other personal injuries, and that plaintiff's life was in danger;" and "after discovering the existence of such danger nevertheless did nothing to warn plaintiff or in any way attempt to avert injury to plaintiff...(thereby acting) in a willful and wanton manner in reckless disregard for the safety of plaintiff."

During a phone call received by the Hatchet shortly after the meeting abruptly ended, the Jewish Defense League of Washington admitted they had instigated the disruption.

As a result of the incident the Program Board, which sponsored Pierce's appearance, passed a resolution saying in part, "The event...was a wholly irresponsible act by the people who resorted to the use of physical violence. We...cannot condone the heckling of a speaker, and ...the use of physical violence to disrupt any program.

Vice President for Administration H. John Cantini said GW was officially informed of the suit on Friday but was withholding comment until the

charges are answered.

GW Security Investigator Douglas Guernsey investigated the incident but Director of Campus Security Harry Geiglein refused to allow the findings to be revealed. He cited the pending suit as his reason for withholding the information.

Geiglein returned recently to Campus Security after a 90 day leave of absence, which began Feb.1. According to the Public Relations office he had been on leave at the request of the State Department to "help set up a security program for the government officials of Morocco." Pierce is seeking \$10,000 in compensatory damages and \$40,000 in punitive damages.
